

# Public Transportation Assistance Program

## The Flexibility Factor

\*Must be Medicaid eligible member  
with NEMT benefits

### Public Transportation Option

- Trip Options: round trips, single trips and paratransit services
- Available for demand and standing order trips

### Flexible Benefits of Public Transportation

- Able to change appointment dates and times when needed
- Reduced wait time for transit arrival
- Allowed two (2) children under age 4, per adult, free of charge (per specific public transportation company's guidelines)
- Number of trips may qualify member for a monthly transportation pass
- Door-to-door service for paratransit riders

*It's That Easy!*
