

Public Transportation Assistance Program

The Flexibility Factor

*Must be Medicaid eligible member with NEMT benefits

Public Transportation Option

- Available to members located 0.5 miles from a public transportation line
- Trip Options: round trips, single trips and paratransit services
- Available for demand and standing order trips

Flexible Benefits of Public Transportation

- Able to change appointment dates and times when needed
- Reduced wait time for transit arrival
- Allowed two (2) children per adult free of charge (per specific public transportation company's guidelines)
- Number of trips may qualify member for a monthly transportation pass
- Door-to-door service for paratransit riders

It's That Easy!
