

Medicaid Transportation Assistance Program

The Flexibility Factor

*Must be Medicaid eligible member with NEMT benefits

Public Transportation Option

- Available to members located one-third of a mile from a public transportation line
- Trip Options: round trips, single trips and paratransit services
- Available for demand and standing order trips

Flexible Benefits of Public Transportation

- Able to change appointment dates and times when needed
- Reduced wait time for transit arrival
- Children may ride on the bus with the member free of charge upon disclosing how many children will be accompanying the member during scheduling. Please inform the Verida's customer service representative of how many children will be riding the bus with the member upon scheduling
- Number of trips may qualify member for a monthly transportation pass
- Door-to-door service for paratransit riders

It's That Easy!
